

**Randøy**  
**Olje**

The logo consists of the text "Randøy" on the top line and "Olje" on the bottom line, both in a bold, white, sans-serif font. The text is set against a black background. The word "Randøy" is partially enclosed by a large, white outline of an oil drop that starts at the top left, goes around the "R", "a", and "n", and then loops back down to the "d". A smaller, similar white outline of an oil drop is positioned above the "ø" in "Randøy". The word "Olje" is positioned below "Randøy", with the "O" being significantly larger than the "l" and "je". A white outline of an oil drop is also positioned behind the "O" in "Olje", mirroring the style of the drop above "Randøy".
